

**100%** Microsoft  
Dynamics integrated

Configured to  
your needs

Cloud  
Ready

## Anveo EDI Connect

Anveo EDI Connect is an **easy-to-understand**, yet very **powerful tool** to quickly and easily implement **EDI** requirements.

# One EDI solution for all requirements

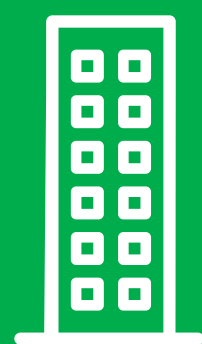

Almost all message types and  
EDI formats are supported

## Message Types

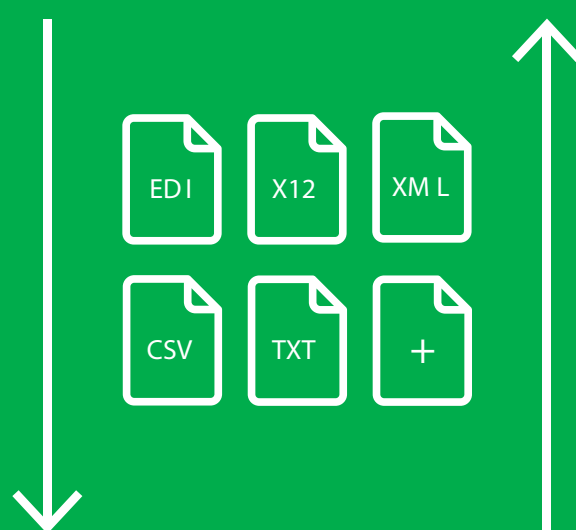

Orders  
Order Confirmation  
Invoices  
Credit Memos  
Shipments  
Inventory  
Sales Reports  
and more

## EDI Formats

EDIFACT/X12  
Text/CSV  
XML  
VDA  
IDOC  
OpenTrans  
and more

**Company**  
with Microsoft Dynamics

**EDI Partner**  
Customer, Vendor, Warehouse, ...

Maintain control  
of all EDI messages  
in the Role Center

Independently identify and edit  
necessary data adjustments  
directly in Microsoft Dynamics

Dynamics 365 Business Central
