

100% Microsoft
Dynamics integrated

Configured to
your needs

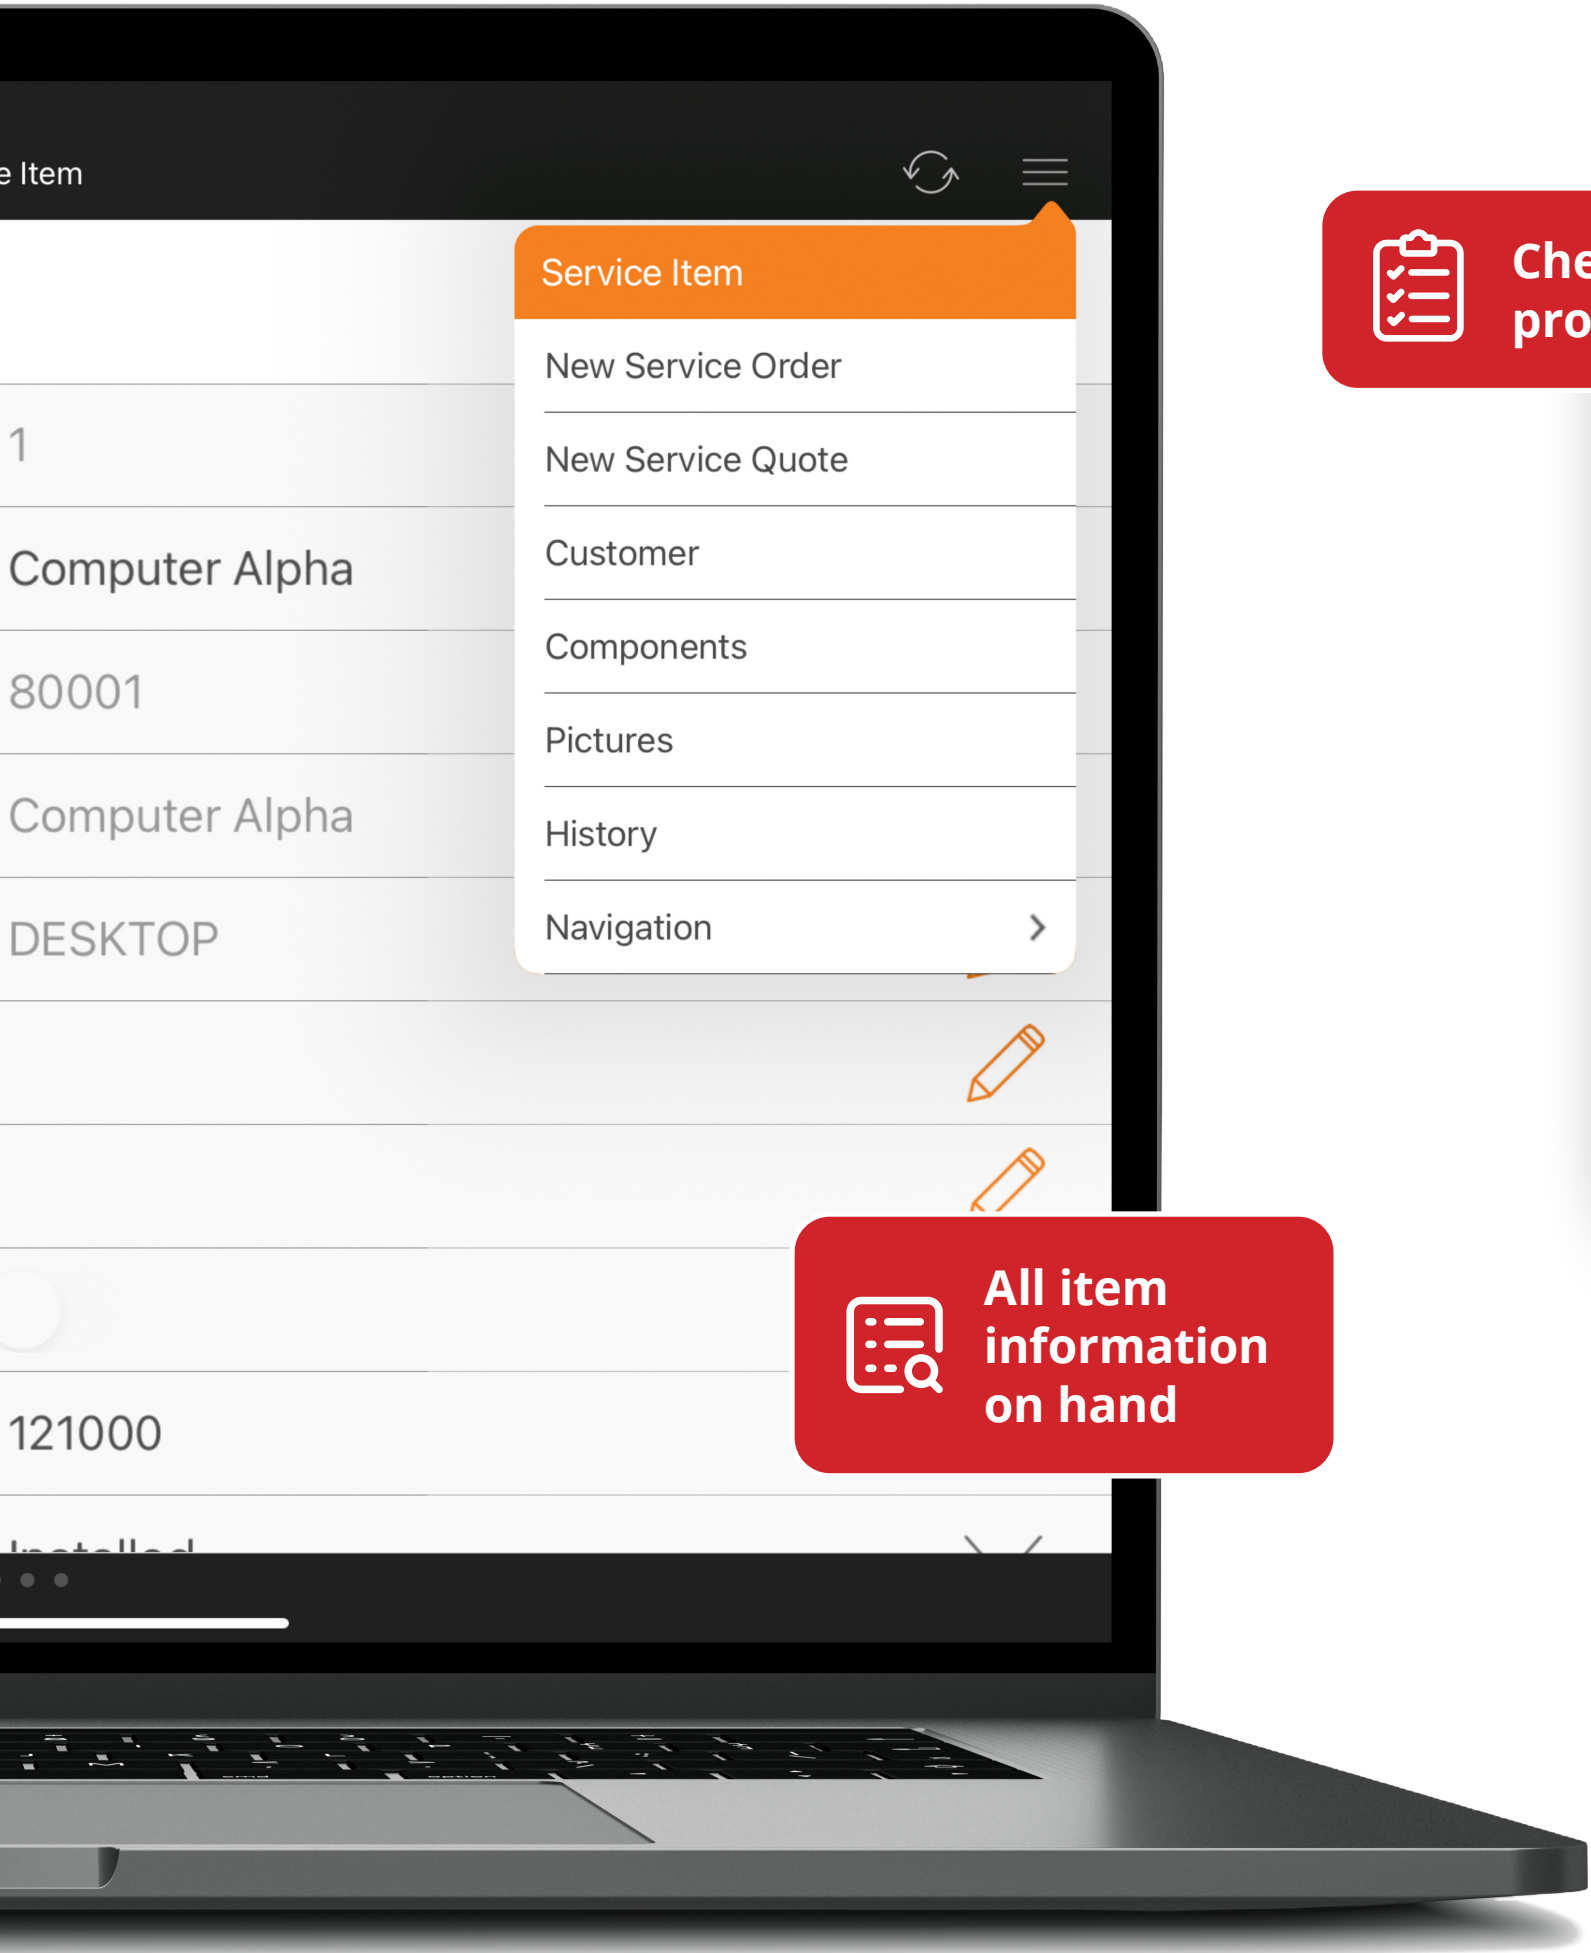

Fully offline
capable

Anveo Service App

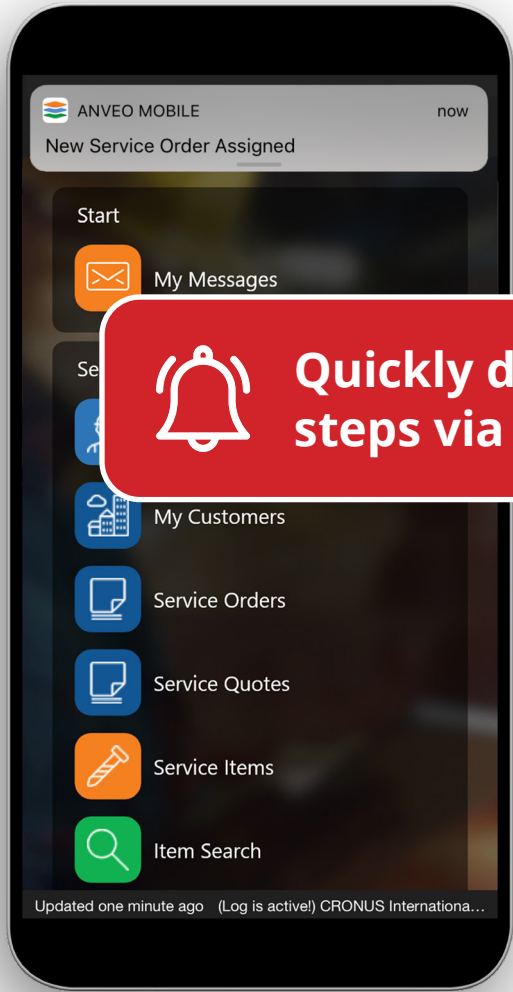

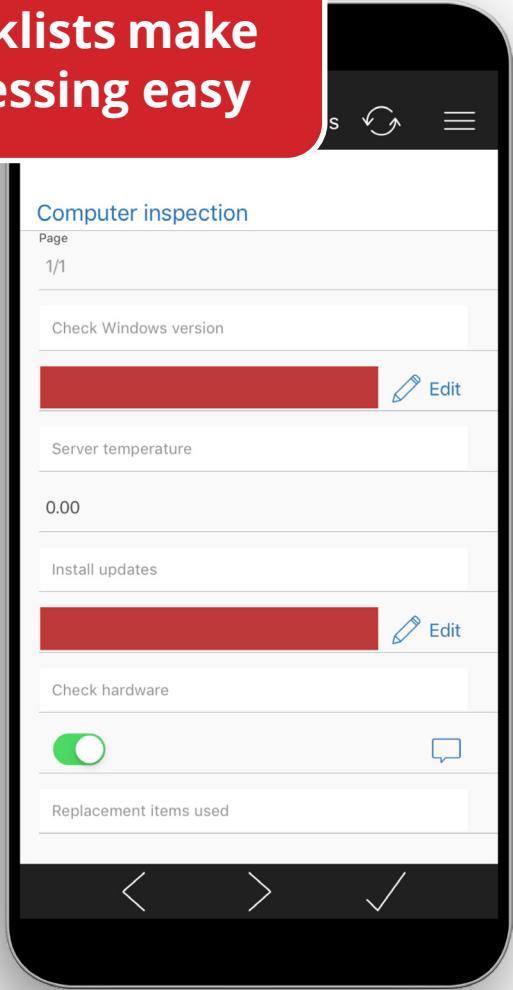

By using the Anveo Service App, your service technicians are empowered to complete their service orders **quickly**, **reliably**, and **professionally**.

Digitize your entire service process

 All item information on hand

 Checklists make processing easy

 Quickly document all work steps via photo or text

 Push messages keep you informed immediately

 Digital signature

 Service orders with time tracking

Professional service

Work more proficiently with all information available on hand.

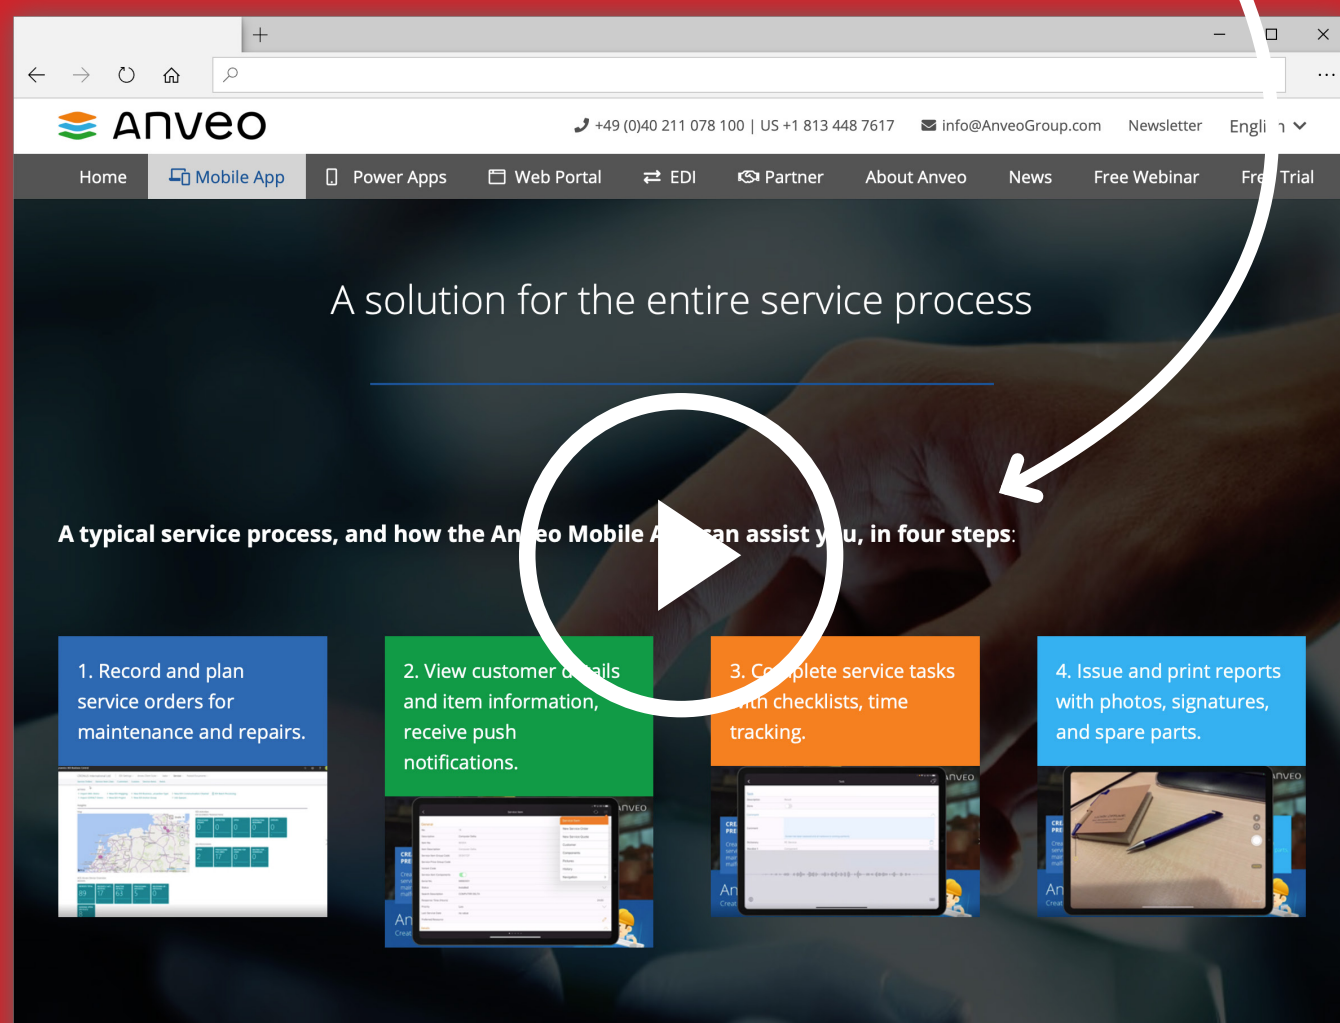

Efficient processes

Benefit from higher data quality and fast post-processing.

Rapid deployment

Create your own app in just a few days.
